ETSB CONNECTIONS

Dear ETSB Parents & Guardians,

As we come to the end of December and our second newsletter of the year, I want to take a moment to celebrate something we don't always talk about - the small moments that shape our students' days.

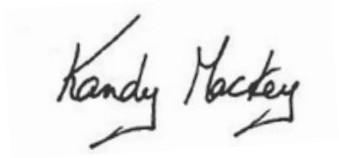

During my visits to our schools these past months, I've seen students proudly sharing their projects, older students helping younger ones zip up winter coats, teachers turning challenges into teachable moments, and laughter echoing in hallways. These little moments, though easy to overlook, are the building blocks of confidence, belonging, and learning.

This week, I will also have the privilege of joining one of our schools for their Christmas dinner and another for their Christmas concert. Moments like these truly capture the magic of the holidays - a time when our schools feel especially united, joyful, and full of heart.

I want to thank you - our parents and guardians - for the many small moments you create at home that make a big difference: the early-morning encouragement, the homework help, the reminders, the hugs, and the conversations in the car or at the kitchen table. Your daily efforts, often unseen, are deeply felt in our schools.

As we head into the holiday season, I hope each of you finds time to rest, reconnect, and enjoy moments of joy with your loved ones. And as we look toward a new year, we will continue working together to create environments where students feel safe, supported, and inspired to grow.

On behalf of the entire ETSB team, thank you for your continued collaboration and wishing you a peaceful and joyful holiday season.

Your Director General
Kandy Mackey

HELP A VULNERABLE CHILD OR ADULT: BECOME A DPJ HOST FAMILY

Commission scolaire Eastern Townships School Board

In the Eastern Townships, nearly one in three children taken into care by the Child and Youth Protection Services (DPJ) needed a foster family in 2024-2025. These children attend our educational institutions as well.

The Child and Youth Protection Services (DPJ) is looking for host families to keep the children in their school and social environment, preserve their family ties, and facilitate reunification with their parents when possible.

Thank you for helping to make a difference for the youth of the Eastern Townships.
